

Year 3 Funding – 2023/24

| Project Code | Title | Applicant | Total Grant Offered | Climate | Nature | People | Place | Description |
|--------------|--|--------------------------------|---------------------|---------|--------|--------|-------|--|
| MH016 | Woodland Track creation at Mathon Court | Phipps and Co. | £5,124.21 | ✓ | ✓ | | | FiPL supported the creation of a natural stone track to gain access to two large blocks of woodland to facilitate effective woodland management, at 50% funding. |
| MH037 | Hope End Park Restoration – Phase 2 | Private Individual | £6,158.80 | ✓ | ✓ | ✓ | ✓ | Working on the actions of the MH006 Hope End Management Plan, this project sees the planting of 10 native parkland trees and guards, along with fencing to facilitate conservation grazing across the park. |
| MH038 | Dingwood Park recreation Phase 2 | Dingwood Farm Park Partnership | £38,146.68 | ✓ | ✓ | ✓ | ✓ | The project is the second phase of the recreation of Parkland at Dingwood. The project will feature the restoration of a traditional Water pump, interpretation signage, the planting of an orchard with fencing and tree guards for the orchard's protection. |
| MH039 | COG TOFI 2023/24 and 2024/25 | Colwall Orchard Group | £69,937.53 | ✓ | ✓ | ✓ | ✓ | Following on from the success of MH002 and MH014, this is a continuation of the “Traditional Orchards for the Future Initiative”, which will see the planting of 350 traditional fruit trees planted across the parish, with guards. Additionally, the project will also support maintenance and formative pruning, along with a water bowser for the health of the newly planted trees. |
| MH040 | PA2 to support Hawthorns Barn Restoration (HBRG) | Bromesberrow Estate | £2,203.20 | | | ✓ | ✓ | Project supports development of conservation architect management plan plus building specifications for the proposed historic building restoration as part of the HBRG. |
| MH041 | Two Beacons Vineyard Expansion | Phipps and Co. | £5,942.40 | ✓ | ✓ | ✓ | ✓ | Supporting the expansion of a conservation orientated vineyard, by funding hedge laying, hedgerow coppicing and hedgerow gapping up across two financial years. |

Year 3 Funding - 2023/24

| | | | | | | | | |
|--------------|--|-------------------------|------------|---|---|---|---|--|
| MH042 | PA2 to support Redlands Farmstead Restoration (HBRG) | Private Individual | £5,000.00 | | | | ✓ | Project supports development of conservation architect management plan plus building specifications for the proposed historic building restoration and obtaining of tenders as part of the HBRG. |
| MH043 | Malvern Hills AONB Meadow restoration 2023 | Malvern Hills AONB (NL) | £7,533.02 | ✓ | ✓ | ✓ | ✓ | 3 Meadows across the AONB will be restored. The project will see the harvesting of 6 wildflower meadows owned by local landowners and Wildlife Trusts using the MH013 Brush Seed Harvester, and the purchasing of top-up seed to restore these traditional habitats. |
| MH044 | Making great two fields of Evendine Lane | Malvern Hills Trust | £11,811.74 | ✓ | ✓ | ✓ | ✓ | A newly acquired block of land will have fencing and both field and pedestrian gates to support conservation grazing and permissive access. Additionally, the project supported the purchase of a water bowser for cattle grazing across the Malvern Hills. |
| MH045 | Forest school development and biodiversity improvement and education | The Elms School | £8,597.44 | ✓ | ✓ | ✓ | ✓ | FiPL is supporting agricultural and environmental education, with funding towards interpretation boards for the school's farm and the addition of shelters to support the on-site forest school. The project also includes a fruit and nut hedge for the children too. |
| MH047 | Hawthorn's farmyard refurbishment and permissive access | Bromesberrow Estate | £6,214.69 | ✓ | ✓ | ✓ | ✓ | The project supports the restoration of the medieval on-site moat and dry-stone wall restoration near the farmyard of a Grade 11 listed house, along with wildflower area and the creation of a permissive access walk along with interpretation signage. |
| MH048 | Livestock infrastructure and conservation enhancements at Mill Farm | Farming Business | £32,426.54 | ✓ | ✓ | | ✓ | Following a large CS scheme and a move from arable to regenerative grazing, FiPL is supporting the applicants with water pipe and livestock drinking troughs, additional fencing for habitat protection and the planting of native hedgerow trees. |

Year 3 Funding - 2023/24

| | | | | | | | | |
|--------------|---|-------------------------|------------|---|---|---|---|--|
| MH049 | Pasture and profit in protected landscapes (PPPL) | Pastures for Life | £23,874.14 | ✓ | ✓ | ✓ | ✓ | Joining up with the Shropshire Hills and Wye Valley AONB's/Protected Landscapes, the Pasture for Life programme applied and received funding for a Pasture for Profit in Protected Landscape grant. |
| MH051 | Orchard Planting at Old Country House | Private Individual | £5,170.59 | ✓ | ✓ | ✓ | ✓ | FiPL will be supporting the planting of 30 traditional fruit trees in the farm's large conservation orchards, as well as a length of fencing to protect the woodland and improve footpath access. |
| MH052 | BASIS Reg courses for Carbon and Sustainable Agriculture | Malvern Hills AONB (NL) | £1,908.00 | ✓ | ✓ | | ✓ | The AONB gained approval for both them and the Malvern Hills Trust to undertake BASIS courses in Carbon and Net Zero training along with the Soil Health Series that BASIS offers. |
| MH053 | Hedge laying and orchard pruning at Mathon | Private Individual | £10,860.10 | ✓ | ✓ | | ✓ | Following on from a Year two project, this FiPL project will continue with hedge laying and see the maintenance and formative pruning of the traditional and recently expanded orchard. |
| MH054 | Woodland and Orchard Management at Dove Barn, Phase 2 | Private Individual | £3,616.00 | ✓ | ✓ | | ✓ | Continuing with woodland management, the project supports regenerative restocking of the one woodland, along with management in a further two small woodland areas and mistletoe pruning in the traditional cider orchard. |
| MH055 | Wildgoose Hill - Hedgerow works, Phase 2 | Farming Business | £21,597.89 | ✓ | ✓ | | ✓ | After taking a block of land back in to in house management, the applicant has received funding for hedge planting, hedgerow gapping up and fencing to facilitate herbal lays and livestock grazing on this site. |
| MH056 | Conservation enhancements and forest school facility improvements | The Downs School | £10,259.62 | ✓ | ✓ | ✓ | ✓ | The project supported the Downs School in restoring the pond with the addition of a silt trap, enhancing the on-site forest school with shelters and storage, and removing the non-native on site conifers for landscape restoration |

Year 3 Funding - 2023/24

| | | | | | | | | |
|--------------|---|--------------------|-----------|---|---|---|---|--|
| MH057 | Orchard gapping up and meadow infrastructure at The Hollands | Private Individual | £2,064.00 | ✓ | ✓ | ✓ | ✓ | The project supports the additional of a 12'ft gate to support effective wildflower meadow management as well as the addition of 13 fruit trees and guards to the existing orchard. |
| MH058 | Natural Flood Management at Goose Farm | Private Individual | £4,825.50 | ✓ | ✓ | | ✓ | With 50% match from NFM, this project is one for the first Malvern Hills AONB FiPL Projects to look at Nature Flood management, as well as habitat creation with a planted and fenced extension to the woodland. |
| MH064 | Hope End Park Restoration - R.A. Phase 2 | Private Individual | £2,180.08 | ✓ | ✓ | | ✓ | This project consists of further tree planting in Hope End Park, following the MH006 Hope End Park Management Plan recommendations. |
| MH065 | Orchard Pruning at The Winnings | Private Individual | £7,250.00 | ✓ | ✓ | | ✓ | This project looks to conduct a two-year programme to remove mistletoe from an old perry orchard and maintenance prune in a traditional apple orchard. |
| MH066 | Website development and purchase of cactus guards at Baston Hall | Farming Business | £2,586.30 | ✓ | ✓ | ✓ | ✓ | FiPL gave a contribution towards the redevelopment of the farms regenerative grazing website and supported the purchasing of cactus guards for home grown tree saplings. |
| MH067 | Orchard Restoration at Vinesend House | Private Individual | £2,340.00 | ✓ | ✓ | | ✓ | This project supported the planting of 24 traditional Fruit trees with livestock guards, along with the addition of an Owl Box. |
| MH069 | Orchard creation and infrastructure to facilitate grazing at Blackmore Park | Private Individual | £5,770.00 | ✓ | ✓ | ✓ | ✓ | The creation of a new, mixed variety traditional orchard will be supported by FiPL, including guards. Additionally, a cattle handling system has been purchased to support conservation grazing on herbal lays and wildflower meadows. |
| MH070 | Deer High seats to woodland management | Private Individual | £530.00 | ✓ | | ✓ | ✓ | FiPL supported the purchase of 2 FY1 Deer high seats to facilitate deer control, in a woodland with high population of muntjac deer. |

Year 3 Funding - 2023/24

| | | | | | | | | |
|--------------|---|---------------------|------------|---|---|---|---|---|
| MH071 | Deer high seats and equipment to support woodland management at Old Colwall House | Private Individual | £1,014.09 | ✓ | | ✓ | ✓ | FiPL has supported the purchasing of Deer High seats, wildlife cameras and bait stations to monitor squirrel and deer numbers and to facilitate management in several woodland blocks near Hope End Park. |
| MH072 | Upgrading the Malvern Hills Trust Equipment | Malvern Hills Trust | £16,295.48 | ✓ | ✓ | ✓ | ✓ | The project will support the purchasing the electric hand tools, footpath management equipment and a forestry mulcher for SSSI Management. |
| MH075 | Hope End Park Restoration - T.M - Phase 1 | Private Individual | £4,530.08 | ✓ | ✓ | | ✓ | Continuing with the recommendations from the MH006 Hope End Park Management Plan, this project is to fence off a patch of woodland, to support scrub growth and woodland health. |
